OFFICE-Pitteburg Block, Helens, Montans,

Public Works-Storm Sewer on Main

Street.

Sealed proposals will be received at the office of the undersigned, room No. 9, Holter block, until Tuesday, June 18, 1889, at 12 o'clock noon for constructing a storm sewer on Main street from Helena avenue to Cutler street, in the city of Helena, Montana, according to the plans and specifications on file in the office of the superintendent of Sewers, room 6, Berkenfeld block.

A bond of two sufficient sureties in a sum of at least 30 per cent, of the gross amount must accompany each proposal.

The city reserves the right to reject any and all blids.

By order of the City Council.

A. C. BOTKIN, City Clerk.

Dated Helens, Mont., June 8, 1889.

Notice of Dissolution.

The co-partnership here of ore existing between Geo, Burris, Ry Zeigler and Platt & McComas, under the firm name of G. Burris & Co., is this day dissolved by mutual consent, Ry Zeigler and Platt & McComas retiring. Geo. Burris will continue the business, collecting and paying all bills.

The whole pro

ject savers of jobbery and corruption. If Mayor Fuller wishes to serve the people and to keep the present city government free from the possibility of scandal he will interpose his veto upon the action of the council, which it would be charitable to suppose had been taken inconsiderately rather than with any purpose of paving the way for a systematic exceeded in railway accidents on this side plundering of the people, more or less of the Atlantic. petty in its character.

SHERIDAN ON HARRISON.

GEN. GEORGE SHERIDAN, who a few years ago gallantly came to the rescue Jehovah against the assaults of the impious Bob Ingersoll, and who has long been one of the foremost orators in the republican party, has been expressing his opinion of Gen. Harrison: He said: dis opinion of Gen. Harrison: He said:

Harrison is indifferent to public opinion.

Members of both parties are interested in the high license movement in Baltimore. I really believe he made use of the expression that he was going to please himself, for it is just like him. It is characteristic of the man. He believes that when the Supreme Power undertook the making of universe, at that time it was conjointly settled with the creation of the world that in tied with the creation of the world that in the year 1889 there would be such a person as Ben. Harrison on the earth and that he There are a good many references in the New England papers to Boston's 780. They are the saloon keepers of that city. should be president of the United States. All this having been settled in the musty ages of the past. Harrison firmly believes that no power could have prevented his election, and those who assisted him were simply carrying out the supreme mandate and couldn't help themselves. Therefore he owes them no thanks. Harrison isn't thankful for anything or to any body. Possibly he may congratulate the Lord on having carried out his part of the contract to make Harrison president, but it is doubting it don't say this to criticise Harrison. and twelfth annniversary of the Indians' atis necessary to know these things to understand and appreciate Harrison's policy since his inauguration. If he isn't renominated he will simply say: "Well, it is the country's misfortune."

Bob Smart, a Piute, left Paradise, Nev., in the morning at 5 o'clock and walked to Winnemucca, arriving at 11 o'clock, averaging eight miles an hour.

THE GRAND JURY.

Alexander Graham Bell, in Science, cal-culates that a mother in talking to her in-fant speaks 36,000 words a day—equal to about four hours' continuous talking. William Roane Ruffin died at his home, THE proposition to do away with the grand jury system, or at least make it optional with counties to retain it or to adopt the plan of inquiry into criminal with a great grandson of Thomas Jefferson. adopt the plan of inquiry into criminal adopt the plan of inquiry into criminal charges by the prosecuting attorney, is meeting with unexpected favor in this territory. One argument in favor of the proposed change, and which is particularly applicable in Montana, with its counties larger than some of the states territory. One argument in favor of the ounties larger than some of the states der cultivation. Under the existing order of things it is a costly proceeding to summon a grand jury, as in Custer, Dawson, Choteau or Missonla counties where the continuous and the continuous counties where the continuous counties are the continuous counties. The five articles that General Grant continuous counties where the continuous counties are continuous counties. About fifteen days have elapsed sin Missoula counties, where milage and per diem for sixteen men from points as much as one hundred miles from the county seat must be paid, and for results that can as well or better he obtained by that can as well or better be obtained by Francis Parkman, the historian, who has the efforts of one man. If the liberties of the people were any better secured by the grand jury system, the consideration of cost should not be permitted to enter of the people were any better secured by the grand jury system, the consideration of cost should not be permitted to enter on thing else.

Francis Parkman, the instorian, who has been ranked in style by Goldwin Smith with Tacitus, has been in wretched health for some time past. He is now residing at Jamaica Plain, near Boston. Mr. Parkman has won reputation by his books—nothing else. into the discussi on; but that is not the There are now ten men in the Tuscon case. Experience has demonstrated that the plan of indictment on information is quite as safe as on the finding of a grand jury, wherein the prejudices of evidence to convict. five men out of sixteen may defeat the The New York Herald says that large ends of justice, or where, upon wholly numbers of the huge buildings on lower Broadway, put on the tax-book in the names of well known Americans, are ex parte evidence, given under the pledge of secrecy and under conditions which make the punishment of malicious perjury, even, a matter of difficulty, a man may be brought before the bar upon charges of which he is entirely innocent. It has occurred thousands of times that the testimony of witnesses before a grand jury was in direct conflict with the evidence of the same men when they were not many the witnesses that the evidence of the same men when they were not many the witnesses that it has no appetite, was restless at night, and very much debilitated. After taking two bottles of Ayer's Sarsaparilla, my strength and appetite returned, and my health was completely an interest to Johnson & King.) evidence of the same men when they turned, and my health was completely rewere put upon the witness stand in open stored."-D. M. Fisher, Oswego, N. Y. court. Probably no lawyer who has had five years' practice at the bar but could tell The best salve in the world for cuts, of instances of this description, which

of instances of this description, which have resulted to the serious injury of reputations which should have been unassailed.

There are frequent instances of betrayal of grand jury secrets, such as trayal of grand jury secrets, such as would not be likely to occur under the plan in vogue in Wiscousia, which have resulted in the defeat of justice, and the responsibility of such leakages is diffi
